SEASON OUTLOOK

2015 SEASON OUTLOOK

Following a second-straight NCAA appearance in 2014, the Utah Volleyball team will again be looking to make yet another run into the postseason in 2015.

Despite losing six seniors from last season's squad that went 20-13 overall, 9-11 in Pac-12 play and 1-1 in the NCAA Tournament, head coach Beth Launiere feels that this year's team is ready for the next challenge.

"I am really excited about the good, young talent that we have going into the season," the 26-year head coach said. "The team is going to look a lot different then it did last season, but we are embracing that. We know that losing as much experience as we did from last year - with the six seniors - that these current players are going to have to step up into some new roles. These players are going to take on new dynamics and new leadership roles, not to mention the fact that we are also introducing a new staff. I still think it is going to be an exciting year and a new base for us to build from again."

Kendall Cygan is one of two seniors returning to the team in 2015.

The Utes will head into the 2015 campaign with just three seniors to go along with three juniors, four sophomores, three redshirt freshmen and four incoming freshmen, but Launiere knows that the young core of players that she returns has the experience needed to build off of last season's team - a squad that swept Kansas State in the first round of the NCAA Tournament and lost a hard-fought five-set battle against Nebraska on its home court.

While Launiere may not have six seniors to count on this season, she does have the luxury of bringing back veteran setter Kendall Cygan, who she will look on to lead this squad during her senior campaign.

"Kendall has a lot of experience for us," said Launiere. "She has been a three-year player in this program and I think that she is ready to go in terms of being that senior leader. She understands what it takes and she knows that she has the most experience of anyone else on the team."

Launiere will also rely on the senior leadership of Brenna DeYoung, as well as a pair of juniors in Tess Sutton and Alyssa Koenig, who will look to increase their roles heading into the new season.

"Brenna is our other senior that we will rely on, as well," said Launiere. "Seniors just add that invaluable experience to a team, so I will look for both her and Kendall to take that senior leadership role and run with it.

"Tess and Alyssa have been in the program for a while now. They are a pair of juniors that are embracing the idea that they are among the more experienced group. I believe they are both enjoying taking on that responsibility."

Utah also has the luxury of returning three sophomores that played a key role in the Utes' run to the postseason last year. Outside hitters Adora Anae and middle blocker Carly Trueman return to the court and all three players know that their individual roles will change as the team heads into the new year.

"On the court we bring back three players that were freshmen last year and all three of those players played a huge part in what we did at the end of the season," said Launiere. "I don't know if it is as much a leadership role, as it is taking on a role of being that "go-to" player, but I think Adora, Carly and Eliza are accepting that role. I think, as they get better as the season moves on that they will show us that leadership-by-example kind of role.

"I think Adora's experience with the USA Women's Junior National Team this past summer is going to be good for her. She handled a lot of responsibility on a team where she was one of the older ones and I think that was vital for her. On the court, she is going to have a very large role for us."

The 2015 season will get underway Aug. 28-29 when Utah welcomes Idaho State, Cal State Northridge and Lipscomb to the annual Utah

2015 SEASON OUTLOOK

Volleyball Classic. The Utes' first road contest of the season will take place on Sept. 1 at Utah State, while the first Pac-12 match will be played against Colorado on Sept. 23 in Salt Lake City.

SETTERS
Utah enters the season with three setters on the current roster, including four-year veteran Kendall Cygan, redshirt freshman Jessie Jorgensen and incoming freshman Emily Twohig.

With 95 starts in her career, Cygan brings experience to the position, but Jorgensen did manage to compete in nine matches in 2014 before an injury sidelined her for the remainder of the season.

Cygan, who tallied 543 assists (4.98/set) heads into the 2015 campaign ranked No. 7 all-time with 1,864 career assists and should she get at least her 621 assists-per-season average, she would finish ranked No. 6 on the list. Meanwhile, Jorgensen will look to pick-up where she left off from last season, after tallying a total of 87 assists (4.14/set) and recording five service aces, as well.

OUTSIDE/RIGHT SIDE HITTERS
All-Pac-12 Freshman Team selection Adora Anae returns for sophomore campaign, along with fellow sophomore Eliza Katoa. Emma Kirst will look to make an impact for the Utes this season after sitting out a redshirt season in 2014 and incoming transfers Bailee Kendall and Madison Legerski will also look to provide a spark for the Utes on the outside in 2015.

Anae is coming off a freshman season where she tallied 280 kills in 114 sets played (2.46/set) and recorded a total of 70 blocks (10 solo) for the Utes as well. Anae was a key player for the Utes down the stretch in 2014, recording double-digit kill totals in six of her last eight games, which included a season-high 20 kills in Utah's second-round match against Nebraska in the NCAA Tournament. Her 20 kills in the match not only led all players on the floor that contest, but it ranks tied for second-most in a NCAA Tournament match in school history.

Katoa recorded four double-digit kill efforts in 2014 and looked to be peaking late in the season, but a knee injury against Washington State forced the former Under Armour High School All-American to the sidelines for the remainder of the season. She will look to pick-up where she left off in 2014 where she tallied eight kills (.500 hitting percentage) and 11 kills in back-to-back matches before going down against the Cougars.

Kendall recorded 307 kills at College of Idaho last season, and prior to that, she helped lead Salt Lake Community College to 48 wins in her two seasons with the Bruins. Legerski was a two-time all-region selection at Casper College in Wyoming before transferring to Utah in 2015.

MIDDLE BLOCKERS
Sophomore Carly Trueman returns to the squad as Utah's most experienced player at middle blocker position, but the Utes also bring back senior Brenna DeYoung and junior Alyssa Koenig to provide help at the net, as well. A pair of highly-touted incoming freshmen in Megan Boudreaux and Berkeley Oblad will also look for playing time with the Utes in 2015.

After sitting out a redshirt season in 2013, Trueman managed to record 178 kills (1.66/set) and rank second on the team with 113 blocks (1.06/set) following her first full season with the Utes last season. Trueman was named the Pac-12 Offensive Player of the Week back on Nov. 10 last season after collecting 14 kills and hitting .632 in a pair of matches against UCLA and USC.

DeYoung tallied 15 kills and 16 total blocks in nine matches for the Utes last season, while Koenig saw action in four matches.

Boudreaux makes the jump to the NCAA Division I level following a four-year career at Bingham High School. She was ranked the No. 7 player in the state of Utah following her senior season, where she led her squad with 63 blocks and a .332 hitting percentage on the offensive side of the net. A two-time All-State selection, Boudreaux helped lead Bingham High School to four-consecutive state tournament appearances.

Also making the move to the NCAA Division I level, Oblad was a 2014 Under Armour High School Second Team All-American selection following her senior campaign at Coronado High School in Henderson, Nev., and she ranked as the No. 34 player on the National PrepVolleyball.com Senior Ace list, as well. Oblad recorded more than 685 kills during her prep career, which included 243 kills during her senior season. She tallied a .440 hitting percentage that ranked No. 1 in the state of Nevada, while her 59 total blocks ranked 16th in the state. She then went on to be named a 2014 Nevada Gatorade Volleyball Player of the Year finalist.

Sutton is coming off a 2014 season where she saw action in 28 matches and tallied 96 digs for a 1.41 digs-per-set average. She totaled 23 assists in 2014 and heads into her junior campaign with 66 assists in her career.

HEAD COACH BETH LAUNIERE

BETH LAUNIERE

Head Coach
26th Season
Aquinas, '85

491-303 (.620)

Reinvigorated by a permanent move into the Jon M. Huntsman Center for all home matches, Utah head coach Beth Launiere and the University of Utah volleyball team now have their sights set on moving up the ranks after four seasons in the Pac-12 Conference.

The Utes went 20-13 in 2014, which included a school-record six victories over top-25 ranked teams. After opening Pac-12 play with just two wins in the first 12 matches, Launiere's squad turned its entire season around, winning seven of its last eight regular-season matches. Utah went on to advance to the NCAA Tournament for a second straight season and defeated Kansas State in the first round before falling to regional host Nebraska in five sets.

The 2013 squad made its first postseason appearance since 2008 after going 20-12 in the regular season and posting nine victories in the always-tough Pac-12 conference. Utah downed Yale in four sets in the first round of the NCAA Tournament before falling to eventual national champions, Penn State, in the second round.

Launiere (491-303, .620) completed her 25th year at the helm of the Utah volleyball program in 2014 after taking over in 1990, when she looked to straighten out a team that won only one match in 1989. In 25 years, Launiere has sculpted the Utes into a top-25 power. The Utes have qualified for the NCAA Tournament 12 times, won six Mountain West Conference titles (regular season and tournament combined) and have recorded 15, 20-win seasons.

Launiere has earned plenty of recognition as the leader of the Utes, she was named the AVCA West Region Coach of the Year three times (2001, `06, `08) and the MWC Coach of the Year (2004, `06, `08) on three occasions, as well.

Launiere's ability to attract top-notch talent has helped take Utah to the forefront of the national scene. She has guided seven Utes to All-America honors while 11 have garnered all-region accolades. The 2011 freshman class was ranked 20th in the nation by prepvolleyball.com, while the 2005 freshman class was ranked the eighth-best by Volleyball Magazine.

Launiere's accomplishments earned her the opportunity to serve as an assistant coach for the Pac-12 All-Stars in June of 2013, where she toured China with 13 of the Pac-12 best volleyball players, including current Ute right-side hitter Shelby Dalton.

Launiere also coached for USA Volleyball during each summer from 2009 through 2011. She coached the USA/BIP Team at the 2011 European Global Challenge in Belgrade, Serbia and Pula, Croatia last July and was head coach of the USA National A2 Program in May of 2010 at the Open Division of the USA Open National Championships in Phoenix, Ariz. Launiere was also on the sidelines as an assistant coach for the U.S. Women's National Team at the 2009 FIVB World Grand Prix in Rio de Janeiro, Brazil, Li Miao, Chinese Taipei and Bangkok, Thailand.

Launiere's impact on the sport goes well beyond the court. She has guided volleyball on the national stage as the AVCA President during the 2009 calendar year and as the President-Elect in 2008. She has also been a member of the AVCA Board of Directors since 2004 and served a three-year term as the Division I Volleyball Coaches Representative from 2005 to 2007 after being a part of the AVCA's All-America Committee for five years.

On the court, Launiere has helped Utah volleyball reach new heights on both the conference and national levels. In 11 years of MWC play, Utah won three tournament championships (2001, `02, `05) and three regular-season titles (2004, `06, `08), while qualifying for the NCAA Tournament 12 times.

The Utes have reached the second round of the NCAA Tournament 10 times with regional semifinal appearances in 2001 and 2008. In 2001, Utah fell to eventual national champion Stanford, 3-1. Utah was the only team to win a set against the Cardinal during the tournament. In 2008, the Utes swept Furman and host Clemson in the first two rounds before being defeated by Washington in Seattle.

The 2008 team went 26-6 overall and won their sixth overall MWC title in school history after starting the MWC season 0-2. Utah went on to take 14 consecutive conference victories against conference foes. Lori Baird was the MWC Player of the Year, while Launiere earned the third MWC Coach of the Year honor of her career.

In 2006, Utah set the school record for wins in a season (28), set the school and conference record for league wins (16) and became only the second MWC school ever to go undefeated in conference play. The team won a school-record 25 straight during the season and was ranked as high as ninth in the AVCA poll. Led by Emillie Toone, who finished second in the country in blocking, Utah led the nation in blocks (3.71). Launiere was voted both the MWC and AVCA West Region Coach of the Year for the second time in her career.

Launiere led Utah to its first national ranking in 2000 after defeating No. 1 Stanford, 3-2, on Sept. 5, 2000. The next week, the Utes appeared in the Sept. 18th AVCA Top 25 poll, coming in at No. 18. Utah earned its highest ranking in school history on Sept. 2, 2002, when it was ranked eighth.

Launiere arrived at Utah in 1990 and took over a team that had compiled a 1-32 record the previous year. Inspiring a turnaround in the program, she recorded Utah's first winning season in seven years (18-15) in 1992, just her third year.

Utah earned its first postseason berth in 1993, placing third in the NIVC. The Utes led the nation in blocks that year, while Mikki

Kane-Barton was the top individual blocker in the country. It was the first time any Western Athletic Conference team earned the nation's top rank in blocking.

In addition to seven AVCA All-Americans, most recently Shelby Dalton was selected to the AVCA All-American Honorable Mention and All-Pacific North Region First team in 2013, while Erin Redd-Brandon received AVCA Pacific North Region honorable mention. Redd-Brandon was named All-Pac-12 Honorable Mention in 2013 and 2012, while Chelsey Schofield-Olsen earned Pac-12 All-Freshman Team Honorable Mention recognition in 2011 and Tess Sutton was honored in 2013.

Seventeen of Launiere's players earned 21 different All-MWC honors and 13 have been named all-region. Kim Turner (2002-03), Airial Salvo (2006) and Lori Baird (2008) were each named MWC Player of the Year. Launiere's recruits have also rewritten the record book, holding career records in kills, attempts, assists, aces, digs, total blocks and hitting efficiency.

Before Shelby Dalton played with the Pac-12 All-Stars in China a few summers back, many of her players have represented Utah internationally in various US Olympic Development programs. Several players have gone on to compete in the USA Volleyball system, including former players Dalton, Schofield-Olsen, Morgan Odale, along with Turner, Salvo, Toone, Baird, Sydney Anderson, Lyndsey Henderson, Danielle Killpack, Abby Simmons and Kelsie Kartchner. Danielle Leichliter trained overseas with Vanajan RC.

Prior to coming to Utah, the Grand Rapids, Mich., native was as an assistant coach at Illinois (1988-89). The Illini went 57-12 during Launiere's stay and made it to two NCAA Tournaments, including a 1988 Final Four showing.

An assistant at Ferris State (Mich.) from 1985-87, Launiere helped the Bulldogs win three postseason bids, including an appearance in the 1987 NCAA Division II Final Four.

Launiere graduated in 1985 from Aquinas College (Mich.). She earned a bachelor's degree in business administration and economics and has a master's in sports administration from Illinois.

• In 2001, the Utes topped Texas Tech, 3-0, and Utah State, 3-1, in the first and second rounds at Crimson Court. In 2008, Utah swept both Furman and Clemson during the first and second rounds in Clemson, S.C.

• In 2003, Utah was down 0-2 to No. 13 Santa Clara in the first round before rallying for a thrilling five-set victory (26-30, 25-30, 30-20, 30-24, 15-12).

• Utah played host to the first and second rounds for the second time in 2005 after winning the Mountain West Conference's automatic bid.

Utah beats Clemson on its home court to set up match with Washington

12-7-03

THE SALT LAKE TRIBUNE

CLEMSON, S.C. — Next stop for the stinging Utah women's volleyball team — a Sweet 16 date against the Washington Huskies in Seattle on Friday.

The Utes will face another team on its home court. However, it is a task that should not slow Utah, which defeated Clemson on its home court Saturday, 25-21, 29-24 and 25-21, to advance to the NCAA's Sweet 16 for the second time in school history.

"Our three strikes were consisting tonight," said Utah coach Beth Launiere, whose team's after her No. 16-ranked and 12th-seeded Utes (26-6) won for the 11 time in a row and the 19th time in its last 20 matches. "I am so proud of that team and what they accomplished."

Utah's senior Kathryn Haynie, Lori Baird and Emilie Toone — combined for 36 kills, as the Utes have yet to lose a set in the tournament. They defeated Furman in three games Friday.

Haynie's 14 kills came on just 19 swings for a career-high .632 hitting percentage. She also had 11 digs.

"Haynie has been a leader all year," Toone said. "She knew it was going to be a tough match and she stepped it up. Haynie took some pressure off us in the middle which was a great help."

Clemson (20-10) actually outblocked the taller, more physical Utes, 16-6. Utah, however, held the Tigers to a .140 hitting percentage.

The Utah women's volleyball team storms the court after beating host Clemson.

Utah was down early in the second game, but rallied.

"We are obviously disappointed," Clemson coach Juliene Jordan Hoover said. "It was a tough loss to a big Utah team who was very tough and aggressive. They did a great job of keeping us out of our system tonight."

"I feel like it kept coming down to passing. That stretch [in Game 2] was critical to our game, especially playing a team like this it is really tough to go down, 0-2."

The Utes took on fifth-seeded Washington in the Seattle Regional Final Friday. The Huskies are 26-5 and earned two 3-0 sweeps in the first two rounds of the tournament over Portland State and Santa Clara. Utah also defeated Santa Clara this season.

"[Kathryn] Haynie has been a leader all year. She knew it was going to be a tough match and she stepped it up."

How Sweet It Is

Utes oust Ags to reach NCAA round of 16

12-1-01

BY PATRICK KINAHAN

THE SALT LAKE TRIBUNE

The checklist is growing shorter with each goal the Utah women's volleyball team accomplishes.

The latest objective achieved came Friday at Crimson Court, where the Utes beat Utah State 30-23, 30-18, 26-30, 30-22 in an NCAA Tournament second-round match. Utah, which advances to its first Sweet 16, home in next destination today after remaining second-round play is completed.

In January, one month after their third consecutive second-round NCAA Tournament loss, the Utes set goals for this season. The most important were obvious: win the Mountain West tournament and be one of the final 16 NCAA teams still playing.

Scratch off both for the No. 11 Utes, who beat Colorado State in the conference tournament championship two weeks ago in a see-saw five-game match. Utah needed to rally from a two-game deficit that day.

"It's not always easy to set goals and achieve them," said coach Beth Launiere. "We just achieved a really big one."

Utah (22-6) was just really too big for the Aggies (20-11) to handle, throwing on a strong front line. the Utes had a .367 hitting percentage to Utah State's .188.

Kim Turner and Kateena Elliott each hit better than .500. Erin Cartwright had Utah State's best mark at .286.

Jackie Morrill led Utah with 20 assists. Kelsie Kartchner followed with 16.

Aliou Geddes, Lenka Urbanova and Adrianne Bradley-Drake each had at least 8 digs for Utah.

"We had a lot of good opportunities and digs that gave the ball the attack a good chance," Turner

UTAH VOLLEYBALL FACILITIES

CRIMSON COURT

Utah's Crimson Court is one of the finest volleyball-only practice facilities in the nation.

One of the most intimidating competition venues in the country from 2000 through 2012, Utah racked up a 130-35 (.788) home record and has tallied a 75-19 (.798) mark in conference home matches during that span. Overall from 1994 through 2013, the Utes went 189-65 (.750) at Crimson Court with a 113-37 (.753) mark against league foes

The court was built prior to the 1994 season and officially dedicated on Sept. 9, 1994. It was christened with a win over Montana State and a marathon five-set victory over San Jose State in the Utah Classic. A new playing surface was installed during the summer of 2011.

The largest crowd ever recorded at Crimson Court assembled on Sept. 25, 2009, as 1,747 fans watched Utah rally from down two sets to defeat BYU. The near-capacity crowd also was treated to a 35th Anniversary celebration and Alumni Reunion.

Utah set the single-season attendance record in 2001. The Utes hosted 12,020 fans over the course of 15 matches, averaging 801 fans per contest.

Crimson Court was a launching pad for 10 of the Utes' NCAA Tournament appearances and also played host to the NCAA Tournament, entertaining opening-round action in 2001 and 2005.

HUNTSMAN CENTER

Regarded as one of the top college arenas in the nation since opening its doors in 1969, the Jon M. Huntsman Center has provided an imposing home venue advantage for Utah's basketball and gymnastics teams. And during the fall of 2013, it became the permanent home for the Ute volleyball team.

In its first full season in the Huntsman Center, the Utah volleyball team went 8-5. The Utes won the 2013 Utah Classic with wins over Utah State, Fairfield and Northern Iowa along with wins over Colorado, Washington State, Arizona State, Arizona and Oregon State.

For a structure in its 43rd year of existence, a feeling of newness still pervades underneath the silver dome. But don't let the pristine picture fool you. As serene as the Huntsman Center may look empty, when the Utes are on the floor and fans are in the stands, the place transforms into a madhouse.

A landmark on the U. campus, the Jon M. Huntsman Center is the perfect place to watch a sporting event. With 15,000 chair seats assuring a great view from anywhere in the arena, the Huntsman Center is the largest venue in the Pac-12 Conference.

From its perch at the southeast end of campus, the Huntsman Center stands sentinel over the University of Utah. Inside the facility are athletic coaches' and administrative offices and locker rooms. The enormous reflective silver dome is the largest of its kind in the world. Underground tunnels stretching 2,220 feet connect the arena with the four-building physical education complex.

The famous "steel cloud," a huge mass of steel and concrete, hangs from the dome's interior and holds the scoreboard, and the public address and lighting systems. The building was engineered in such a way that the cloud actually holds the dome in place.

Prior to the 2011-12 season, the entire Huntsman Center playing floor was replaced. A new, $1.3 million scoreboard was installed in the fall of 2007. The new scoreboard features an LED ring by Optotech around the bottom and four LCD video screens, which provide brighter, clearer pictures than ever before seen in the Huntsman Center. The scoreboard also features a player stat board and is 1.5 times bigger than its predecessor.

Salt Lake City, home to the University of Utah and the state's capital city, offers an unrivaled blend of metropolitan life and recreational opportunities. With 186,440 residents, Salt Lake City is the largest city in the state and its metro population of 1,124,197 ranks in the top 50 in the United States. Yet Salt Lake City maintains the charm of a small western city.

Employment opportunities, culture, quality of life and recreation are some of the reasons why Salt Lake City is consistently named one of the nation's best cities. In the June 2010 issue of Kiplinger's Personal Finance Magazine, Salt Lake City was No. 5 on its list of the "10 Best Cities for the Next Decade." Forbes Magazine ranked Salt Lake City the third-best big city for jobs and fourth-best city for tech jobs in May 2012. The magazine also recognized Utah as the "Best State for Business and Careers" for the second straight year in 2011. Men's Fitness magazine named Salt Lake the "Fittest City in the Nation" in 2009.

Nestled between the Wasatch and Oquirrh Mountain ranges and the Great Salt Lake, the city is located in one of the most picturesque places on earth. The lowest point within city boundaries is 4,210 feet near the Great Salt Lake, and the highest is Grandview Peak at 9,410 feet. The Great Salt Lake (48 miles wide and 90 miles long) is the world's second largest saltwater lake and the largest lake in the western United States.

The city is the cultural, financial, educational, technological, commercial and communications hub of the Intermountain West. Utah was named the most technologically advanced state in the 2008 Digital States Survey and rated as one of the top 10 most socially networked cities in America. Salt Lake is also home to world-renowned medical and technology industries.

Cultural and ethnic activities flourish in Salt Lake City and its vibrant downtown features dining, shopping, music and ethnic festivals, art galleries, professional symphony, opera, theater and dance.

The annual Sundance Film Festival, which is the largest independent film festival in the U.S., attracts movie stars, celebrities and thousands of film buffs to the area every year. According to P3/Production Update Magazine, Utah is one of the "10 Best States in the Nation for Film."

Professional sports franchises in Salt Lake City include the Utah Jazz (NBA), Real Salt Lake (Major League Soccer), Salt Lake Bees (AAA baseball), Utah Blaze (Arena Football) and Utah Grizzlies (East Coast Hockey League).

THE UNIVERSITY OF UTAH

Ranked among the top 100 universities in the world, the University of Utah is renowned for its research expertise, academic performance and athletic prowess. The U., which has earned a top-tier ranking from the Academic Ranking of World Universities for eight consecutive years, became a member of the Pac-12 Conference on July 1, 2011.

Founded in 1850, the University of Utah encompasses 1,500 acres in the foothills of the towering Wasatch Mountains. Located just minutes from downtown Salt Lake City and world-class ski resorts, its campus combines an eclectic mix of teaching and research facilities in a park-like setting of trees, fountains, flowering malls and pedestrian walkways with incomparable views of the Salt Lake valley.

Home to a student population of over 30,000, the U. offers some 100 undergraduate and 90 graduate majors. Many of the U.'s programs are nationally ranked, including law, pharmacy, architecture, business, engineering and dance. Students come from all 50 states and many foreign countries.

Utah ranks among the top public research universities in the nation, with particular distinction in medicine, genetics and engineering. In 2009-10, the University received a record-setting $451 million in external funding for research. University of Utah geneticist Mario R. Capecchi, one of many acclaimed faculty members, received the 2007 Nobel Prize in Physiology/Medicine for his work on gene targeting.

In each of the past two years, the University has led the nation in the number of spin-off companies started with University-developed research or technology. The U. has launched 125 new startups over the past six years. The U. was honored at the 2012 Utah Genius Awards for most U.S. patents of any company (49), and faculty member Stephen Jacobsen of the Department of Mechanical Engineering won the lifetime achievement award.

In 2010, University of Utah Health Care was ranked No. 1 in quality in the nation among academic medical centers. The Eccles Institute of Human Genetics is one of several innovative medical programs at the U. Others include the Huntsman Cancer Institute, the Moran Eye Center and the Brain Institute. The U.'s David Eccles School of Business has joined the U.S. News & World Report list of the top 10 most-popular business schools in the nation.

The U. is also noted for its work in technology and computer sciences. The University's School of Computing was founded in 1965, and began a pioneering legacy in computer graphics and visualization that continues today.

A lively residential living experience is provided in the beautiful Heritage Commons, which served as the Athletes Village for the 2002 Olympic Winter Games. Utah students enjoy unparalleled recreational activities, from skiing and snowboarding at any of nine world-class resorts in nearby canyons, to backpacking, mountain biking, fly fishing and river running.

The U.'s location in the largest city in the Intermountain West, with a metro population of over one million, allows for an urban experience in a spectacular natural setting. The U. is home to the state's natural history and fine arts museums, and well as the Pioneer Theatre Company.
